Subject: Request for Announcement in Local News Bulletin regarding SIDCO Loan Scheme – reg.

Sir/Madam,

Sindhu Infrastructure Development Corporation (SIDCO) is inviting applications for obtaining loans at subsidized interest rates ranging from 4% to 10% under Government of India schemes for Unemployed youth among the weaker sections of society including minorities, Scheduled Tribes, and differently abled persons for establishment of income-generating units ranging from ₹1.00 lakh to ₹50.00 lakh.

The online application portal for submission of loan applications has been opened throughout the year on SIDCO's official website sidco.ladakh.gov.in, and the last date for submission of applications is 10th March 2026 for the current batch.

These welfare schemes aim at upgrading the income status of the targeted weaker sections of the region. You are therefore requested to kindly announce the same before or after the local news bulletin for two consecutive days so that maximum eligible beneficiaries may avail the benefits of the scheme. The recorded audio is also prepared for announcement and your convenience (enclosed).

Note: Kindly send a WhatsApp number so that the clear audio file can be sent for broadcast.

Thanking you.

Yours faithfully,

**District Manager
